

# GLÜX SUMMER BIO

APERITIF, ORGANIC, GIN

BIO058

Finest summer fruits such as strawberries and raspberries are embedded in excellent gin in order to create a new fresh, fruity and sweet taste experience. The subtle spiciness of ginger adds further vitality to this modern cocktail. To be enjoyed with tonic water.

#### Serving suggestion

Pour 1 part of Glüx Summer Edition with 2 to 3 parts of a Mediterranean or Classic Tonic Water into a glass and serve with ice cubes. A dash of fresh lemon juice adds extra freshness to this summertime aperitif.

#### Size

700ml

#### Alcohol content

22%
